

Please note that due to COVID-19, these prayer requests are fluctuating and may have been revised since they were received mid-to-late May.

1 BILL & JOY BOEROP

World Thrust International, USA/Worldwide

Please pray specifically for Joy as she awaits scheduling hip replacement surgery. She is in excruciating pain. Pray for relief from the pain and an early surgery date.

2 KATHRYN WURST

CMF International, Germany

After having to completely reinvent what much of ministry looks like, Kathryn and her team are leading the largest number of small groups they've had in over a year. Last month, they put on a joint trivia night with their sister ministries in Erlangen and Freiburg, Germany. Please pray for their Wednesday takeaway free lunch events on June 3, 10, 17 and 24, and their Thursday online games and discussion groups on June 4, 11, 18 and 25.

3 ANDREA & EMORY FLEMING

Operation Mobilization, Ireland

Although ministry may look a little different during these times of restrictions, the Gospel message is the same. Pray for creativity in how they can reach out: writing cards, praying for others, connecting online, smiling and reflecting Jesus to those in the grocery, pharmacy, etc.) Their local church started an online kids club from 5-6 p.m. every Wednesday; pray for kids to be receptive to Biblical truth and principles that will remain with them for life and for their love of God to grow.

4 VERAL & NORMA BLAKE

Ambassadors for Christ International, West Indies

Please continue to pray for their son, Nigel Blake, as the doctors treat him for a cancerous tumor. As of this printing, he was scheduled for surgery on May 29. Pray for ongoing needs.

5 TYLER & LARA PATTY

Josiah Venture, Czech Republic

Praise God that the Pattys were able to share about their ministry recently, as they were our special guests for our first-ever virtual Adventures in Missions program. Pray for continued growth in ministry and for double enrollment in their college as they prepare for fall.

6 GREG & JEAN HINES

Frontline Missions, Honduras

The economic impacts of the virus are having much worse and longer lasting impacts on families in the mountains of Honduras than the virus itself. There are so many who have not worked for the last two months. As a result, hunger has become a much larger problem. A new ministry opportunity of so many people is making it possible to provide food for bodies and souls of people in need.

7 BEVERLY MINOR

Central Missionary Clearinghouse, Austria

Fewer people are contracting the virus so more and more liberties are being restored in Austria. Nothing is lacking in the stores and many people are taking to the streets. Praise God that Beverly's brother, his wife and extended family members have recovered from COVID-19.

8 LUC & SUZY SALSAC

VIANOVA, Belgium

Praise God for safety during Luc's trip, for the good health of every member of their family and also for their church members. Pray for Thalia and Loann as they manage the new school situation, as well as for the involvement of their church to serve others.

9 BILL & JOY CARRERA

Wycliffe Bible Translators, Peru

Pray for continued healing for Joy. Her neuropathy continues in her feet and any decisions regarding future flying will be contingent on the healing. Pray for the Lord to have mercy on His world and to stop the spread of the COVID-19 virus. Pray that these locked borders and quarantine orders will not affect plans to return to Peru. Pray for God's perfect timing.

10 MARK & JANA FAUS

SIM USA/Worldwide

Pray for SIM's hospitals in the mission's global medical ministry network as they begin treating the influx of COVID-19 patients. Pray for Mark as he manages SIM's project to provide medical supplies and funding to its medical facilities around the world. Pray that the proper decisions are made as he is in constant connection with 25 medical ministries around the world.

11 ISAIAS & JUDITH CATORCE

Ambassadors for Christ, Philippines

Please pray for 14 church planters and products of Samar Theological Institute that were severely affected by the latest Typhoon Ambo in Eastern Samar that struck on May 14. A facility meant for suspected COVID-19 cases is among those destroyed. Pray for financial help for relief purposes.

12 GARY & PENNY SEITHEL

United World Mission, England

Praise God that their charity "I got shoes" has been officially recognized in the UK through the government registration of charities. Many volunteers are helping their food banks get items delivered to vulnerable people who are a part of Across Havering, where Gary is chairman.

13 DAVE & MIKKEL TEGLAAR

Cru/Athletes in Action, USA

Like so many ministries and companies, Ultimate Training Camp (UTC) in Colorado had to adjust to virtual conferencing, as their live camps were canceled. As a result, UTC Every was born. This five-night event, held May 24-28, allowed athletes and coaches to connect and worship God through the 5 Principles of Faith & Sport! As they prayed for 365 athletes and coaches, they closed registration with 784 staff and interns with an international presence of over 17 countries and counting! Praise God.

14 KEITH & JACI PATMAN

Wycliffe Bible Translators, USA/Central Africa

After passing through many perils, the Mango and Gergiko New Testaments finally arrived safely in their respective communities. Praise God. Despite the challenges, COVID-19 has presented some new opportunities. Students in their Naples, FL Perspectives class are completing their work, and all look forward to a Zoom meeting in June to recognize those who earned certificates and to encourage all the students to use what they learned in serving the Lord.

15 PAUL & LOIS JENKS

AMG International, Asia

Pray for wisdom regarding their students and their return to the school when it officially reopens. There will be a temptation for them to stay in the villages far from the danger of COVID-19 exposure in a dorm-setting. Their school needs to increase student numbers if it is to become sustainable for the long-term. Continue to pray that they can successfully recruit qualified candidates as ESL, music and math and science teachers.

16 ANDREW & ALECIA TEEUWEN

Pioneers, Greece

Praise that a successor was appointed as Area Leader for the Balkans South in Andrew's place. He is off to a great start! This means Andrew can now focus more fully on Regional Leadership.

17 FOTIS & MARY ROMEOS

AMG International, Greece

Praise the Lord for online conferencing serving Albanian believers and churches in Albania, Italy, Greece and USD. This is a practical and useful new tool for equipping the saints to serve God's people in their homes. Praise the Lord for the technology!

18 GARY & ESTHER SMITH

Ethnos360, Papua New Guinea

Please pray for God to open the doors for the Smith family to attend Caleb's wedding in California; to keep a planned visit with Charis' family; then, to be able to return to Papua New Guinea with the Doerrs for their planned vision trip in July. With travel restrictions and civil unrest, they need a miracle to happen!

19 AL & MARY MADELINE WHITTINGHILL

Ambassadors for Christ International, USA

Al shares, "As the days around us continue to call us strongly to His Throne of Grace, we each are being reminded afresh of the privilege that is ours to belong to HIM in these days of preparation for His return to earth...let us 'continue in prayer and watch in the same WITH THANKSGIVING.' Our wonderful Lord is in control, and His promises to us are sure and steadfast. How blessed we are IN HIM." Amen!

20 SUSIE NEWBY

Pray as people are challenged to missions and pray for continued mobilization for Greater Europe Mission as they continue to contact unbelievers in Germany.

21 AL RHEA

Cru, USA/Africa

Praise God that during Easter weekend, the Hope2020 campaign exposed 4,234 people to the Gospel, while 52 people are going through discipleship and follow-up. Also, 295 people have been trained to use the JESUS Film application and other digital tools, and five people have accepted to follow Jesus Christ. Praise God for 250 people who were trained in prayer and mobilization during a successful Global Outreach – GO2020 webinar.

22 PAUL & KARAN DAVIS TEAM, France

Praise God for safety during Paul and Karan's extended ministry leave from January 6 – May 19. They traveled over 6,700 miles, visited ten churches, spent time with family and friends and enjoyed wonderful hospitality. Pray for guidance as they begin their next chapter of ministry coaching and mentoring the seven churches in their area, where they will contact church leaders to discern their needs, schedule visits to each church to see each one's situation, determine how they can help each one grow to the next level of maturity and instill a vision to see new churches started in cities with no Gospel witness.

23 ROSS & ROULA GEORGIOU Campus Crusade for Christ, Germany

There have been many training opportunities around the world. Pray that training would turn in to active chaplains sharing Christ's love and care for sports people. Pray for wisdom in dealing with people with mental health and suicidal challenges and giving them hope.

24 GREG & PAM SMITH InStep International, Inc., USA/Worldwide

During the COVID-19 pandemic, InStep has had incredible opportunities to respond to people and not just react to problems. By providing practical and financial assistance to over 232 individuals, they are able to share the message of God's love and hope and continue their active presence around the world by training and mentoring pastors.

25 BELA & ILDIKO DOBOS Word of Life Fellowship (WOLF), Hungary

Pray especially for Bela's health during this pandemic time. He has asthma and severe allergies. Praise God that so far none of their students' and staff's health has been affected by the virus. Please continue to pray for the \$200,000 GAP fund that has been established to bridge the gap in losses at Word of Life Hungary, anticipated in this fiscal year due to coronavirus effects. Their biggest praise is that the government has lifted restrictions so they can have overnight camps and day camps as well this summer. Thank you so much for your prayers for this.

26 SAM & SILVANA SHAW Presbyterian Evangelistic Fellowship, Ireland/Worldwide

While this is a challenging time, it has brought many new opportunities. The Shaws continue to expand their means of sharing the Gospel and have more interaction with people. On Friday evenings, they do a Facebook live video, Fire Fridays, centered on a Bible story and the Gospel.

27 SERGIO & LINDA MIJANGOS Avant Ministries, Guatemala

Pray for financial provision for the Central American Theological Seminary and its faculty and staff, and for the many people in Guatemala who are facing hunger due to loss of work. Many live day-to-day, and many people greatly depend on tourism where at this time, there is none. Congratulations to Sergio and Linda's son Christian, graduating from LeTourneau University with a degree in civil engineering and minors in mathematics and applied science.

28 J & P Africa

Pray as they share Source of Light courses with some military police who have set their control post outside their gate, located at the city limit. While the city is locked down, only those transporting food to other towns in the country may pass. They began sharing studies with them; several are taking part by reading and doing the questions to get the next lesson. Pray that the Holy Spirit will give understanding to each one where it is needed so that they may move closer to our Father.

29 R & B Africa

Pray for their son's first CF appointment in Houston on July 1. Please also pray for Kathryn, a very sick colleague from their ministry country, who is currently in Canada.

30 LOANN NGUYEN

InterVarsity Christian Fellowship, USA

Pray for good health and safety for LoAnn's family in Vietnam. Also, pray for LoAnn to have wisdom, strength and favor in front of God and people; wisdom to lead the ministry in this chaotic time and plans for fall semester. Please pray that God will send her 20 new financial partners to help her meet her 2020-2021 financial support goal.

The one constant amidst this worldwide crisis is that we serve a great God who is still in control, and we know that His love will never fail! Although we grieve over the lives lost due to the Coronavirus pandemic, we are thankful in the knowledge that Christ is continuing to build His church and the gates of hell will not prevail against it!

"THEREFORE, MY BELOVED BRETHREN, BE STEADFAST, IMMOVABLE, ALWAYS ABOUNDING IN THE WORK OF THE LORD, KNOWING THAT YOUR TOIL IS NOT IN VAIN IN THE LORD."
